Pneumo Care Health Pvt. Ltd.

Breathe Better Series

Pneumo Care Health Pvt. Ltd (formerly **Respicure MedSys Private Limited**) has been India's foremost and premium company in the field of sleep, respiratory and critical care medical equipment since 1996. Pioneering the fields of sleep and non invasive ventilation in India, the founders of this company have since developed this company into a formidable conglomeration of medical devices and an excellent service organization of international repute.

This new evolved **Pneumo Care Health Pvt Ltd.** endeavors to be a global manufacturer and provider of high quality medical disposable products, medical devices and services.

In association with some of the World renowned manufacturers of path breaking medical technologies such as Aerogen Ltd, Ireland etc, it will be our intention to bring the best of both these worlds for the benefit of our patients.

Our current Medical Device range includes Oxygen devices; In-line and off-line advanced new generation Nebulisers and nebulisation techniques; complete range of Asthma & COPD Management, Oxygen conservation, measuring and delivery instruments; Audio-visual Stethoscopes with ECG, Pulse Rate and SpO2 display and many more.

The *Breathe Better Series* of Medical Disposable products presently includes high quality oxygen mask, Non Breathing oxygen masks, nebulisers kits, nebuliser masks, nasal canula and many more. It will be our continued quest to develop and to bring to you reliable, stable, efficient, new generation products and services to help you manage your patients better and efficiently

Pneumo Care Health distributes throughout India and to an ever expanding distribution network in the Middle East, South East Asia and Australia.

We welcome you aboard in our endeavour for continued excellence.
